

# 8, 32 & 128 ounce Bottles

# Brillianize®

Made For All Hard Shiny Surfaces

America's #1 Rated Anti-Static Cleaner and Polish for  
Plastics, Glass and All Hard Shiny Surfaces.

## One-Step Cleaner and Polish

**Cleans • Polishes • Protects**  
**Anti-Static • Non-Toxic**  
**Alcohol & Ammonia Free**

### Ideal for:

Acrylic, Plexiglas®, Carbon Fiber, Lucite®, Polycarbonate, Lexan®, Vinyl, Mylar® window film, Polystyrene, Stainless steel, Titanium, Brite metal, Glass, UV and AR treated material, museum glass and all hard shiny surfaces.

Brillianize is 100% non-toxic and biodegradable. Brillianize is safe to use indoors or outdoors. It will not harm people or pets. Our unique formula contains NO alcohol, NO ammonia, NO sodium lauryl sulfate and NO ethylene glycol butyl ether. Brillianize is made in our own factory in California. You can trust Brillianize with your most demanding jobs and precious possessions. Using Brillianize will leave a high gloss, anti-static fingerprint resistant finish on all hard shiny surfaces..
